

# FAITH NEWSLETTER

August / September 2011

---

Dear Friends in Christ,

In the last newsletter, I introduced the new threefold emphasis for our Synod: **Witness, Mercy and Life Together**. This time we will explore the area of **witness** and what that means for us here at Faith.

When you hear the word “witness”, you might get a little nervous. It probably conjures up images of knocking on doors, preaching on street corners or starting awkward conversations with non-Christians. It’s really much simpler than that.

Think about the role of witnesses in a courtroom. They don’t need to make arguments. All that they do is talk about what they have seen or heard. They are simply recounting their experiences.

This was the role of the apostles after Jesus ascended into heaven. They talked about what Jesus had said and done, after seeing and hearing these things for themselves. The task of witnessing did not end when the apostles died. The next generations of Christians presented the witness of the apostles in their own time and place. The church continues to give this same witness today.

The purpose of witnessing is not just to build a case or an argument for our faith in Jesus. The Holy Spirit works through our words to create and strengthen faith. This is a great comfort for you. You don’t have to worry about crafting sophisticated arguments. Just talk about who Jesus is and what He’s done for you.

How do we witness here at Faith? It’s impossible to list everything, but here are a few examples:

- **Public worship services:** We don’t hold secret ceremonies, but invite all to come to see and hear Jesus for themselves. Everything we say and do testifies to who Jesus is, and what He is doing in our midst.
- **Educational opportunities:** Sunday and Friday Bible Class, new members’ instruction and confirmation, Evenings with Jesus and Vacation Bible School all witness to Jesus Christ and help our members to understand and talk about Jesus.
- **Support of a pastor and other church workers:** As a pastor, I have many opportunities to talk about Jesus in many different settings- hospitals, nursing homes, and others in our neighborhood. As a congregation, we also support our district and synod in their mission work both here in the Chicago area and around the world.
- **Everyday conversations:** Most opportunities to witness come in unexpected ways as you live your life- within your family, at work, at school or in your neighborhood. As St. Peter writes: “Always [be] prepared to make a defense to anyone who asks you for a reason for the hope that is in you.” (1 Peter 3:15)

Be on the lookout for opportunities to witness about Jesus. It’s a great joy that He has entrusted us, His church with this task. If you think of other ways that we can expand our witness here at Faith, please let me know or speak with one of our Elders. Later in September we will have an opportunity to discuss these issues together as a congregation. Please watch for more information in the weeks to come.

God’s Blessings,  
Pastor Birkholz

## Hymns of the Month

**August** – “We Walk By Faith” (# 720)

This hymn explores our struggles to trust in Jesus, as we can't see or hear Him in the same way that the first disciples did. But even though we can't touch His hands and side (as Thomas did) or walk with Him on the roads of Galilee, He is with us in Word and Sacrament here on earth, and we will see Him face to face in heaven.

**September** – “Lord, Thee I Love with All My Heart” (# 708)

This chorale is a classic German Lutheran hymn of faith and trust in God throughout life. It acknowledges God as our creator, and prays that He would guide and protect us in our dealings with the world around us. My favorite part of this hymn is the final verse, which is sung at the commemoration of the dying. It's a wonderful expression of hope of resurrection and eternal praise of God in heaven.
